### *Winter Edition*

WE had another fantastic day at our Christmas Farmer's Market Coffee Morning. **Thanks** to everyone who helped, and in particular those who provided the entertainment; The U3A Acoustic Group, The Stokesley Strummers Ukulele Band and Lynn & John Horwood (opposite). Also a **big thank you** to Nigel Davison for supplying the mince pies. We raised £479, which will go towards the **NEW DESK** for the Stewards in the Hallway.

The FRIENDS of the Town Hall have been raising funds to purchase the new desk as it was agreed that this would dramatically improve the 'reception area' of the Town Hall. We have nearly raised the full amount required and it is hoped that our next few events will see the final funds raised so your support would be greatly appreciated.

The latest from our roving reporter Derek Whiting;

"Spent some time this morning with Richard and learned of his ideas for the desk. Photo shows the four pieces of oak which will make the top. When smoothed and "dressed" it will look like one piece. He has already smoothed a piece of wood and oiled it ready to start carving the Stokesley rose onto it. Looking forward to many more photos as progress is made"

### **NEW PICTURES**

Have you been in the Town Hall Lately?  
Have you noticed the *NEW* pictures  
and paintings on the walls?

Next time you're in have a good look  
round and appreciate the talent in the  
Stokesley area and we're very proud to  
give them the space to showcase that  
talent.

Oh! and by the way most of it is for  
sale.

## **NEWS**

The **TOWN HALL** has been entered  
into the Hambleton Community Award  
scheme/Community Building

### **George steps down**

The founder of the Stokesley  
Engineers Club in 2003 George Carter  
has announced his retirement. It was  
George who led a committed group  
of people who guided the  
regeneration of the Town Hall to the  
building we see today. A  
presentation was made to George to  
thank him for all his work over the  
last 15 years.
